3. The result of paragraph 2 above shall be divided by 43,560. The result is the Backup Special Tax for Facilities per square foot of Acreage which shall be applicable to Assessor's Parcels of Developed Property classified as Residential Property in such changed or modified Final Map area for all remaining Fiscal Years in which the Special Tax for Facilities may be levied.

SECTION F
METHOD OF APPORTIONMENT OF THE SPECIAL TAX FOR
FACILITIES AND THE SPECIAL TAX FOR SERVICES

1. Commencing Fiscal Year 2005-2006 and for each subsequent Fiscal Year, the City Council shall levy a Special Tax for Facilities on all Taxable Property within IA No. 6A1 until the amount of Special Tax for Facilities equals the Special Tax Requirement for Facilities in accordance with the following steps:

Step One: The Special Tax for Facilities shall be levied Proportionately on each Assessor's Parcel of Developed Property at up to 100% of the applicable Assigned Special Tax for Facilities rates in Table 1 as needed to satisfy the Special Tax Requirement for Facilities.

Step Two: If additional moneys are needed to satisfy the Special Tax Requirement for Facilities after the first step has been completed, the Special Tax for Facilities shall be levied Proportionately on each Assessor's Parcel of Final Map Property, at up to 100% of the Assigned Special Tax for Facilities applicable to each such Assessor's Parcel as needed to satisfy the Special Tax Requirement for Facilities.

Step Three: If additional moneys are needed to satisfy the Special Tax Requirement for Facilities after the first two steps have been completed, the Special Tax for Facilities shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property, excluding any Undeveloped Property pursuant to Section J., at up to 100% of the Assigned Special Tax for Facilities applicable to each such Assessor's Parcel as needed to satisfy the Special Tax Requirement for Facilities.

Step Four: If additional moneys are needed to satisfy the Special Tax Requirement for Facilities after the first three steps have been completed, then for each Assessor's Parcel of Developed Property whose Maximum Special Tax for Facilities is the Backup Special Tax for Facilities shall be increased Proportionately from the Assigned Special Tax for Facilities up to 100% of the Backup Special Tax for Facilities as needed to satisfy the Special Tax Requirement for Facilities.

Step Five: If additional moneys are needed to satisfy the Special Tax Requirement for Facilities after the first four steps have been completed, the Special Tax for Facilities shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property classified as Undeveloped Property pursuant to Section J. at up to 100% of the Assigned Special Tax for Facilities applicable to each such Assessor's Parcel as needed to satisfy the Special Tax Requirement for Facilities.

2. Commencing Fiscal Year 2005-2006 and for each subsequent Fiscal Year, the City Council shall levy a Special Tax for Services on all Taxable Property within IA No. 6A1 until the amount of Special Tax for Services equals the Special Tax Requirement for Services in accordance with the following steps:

Step One: The Maximum Special Tax for Services shall be levied Proportionately on each Assessor's Parcel of Developed Property at up to 100% of the applicable Maximum Special Tax for Services as needed to satisfy the Special Tax Requirement for Services.

Step Two: If additional moneys are needed to satisfy the Special Tax Requirement for Services after the first step has been completed, the Maximum Special Tax for Services shall be levied Proportionately on each Assessor's Parcel of Final Map Property, at up to 100% of the Maximum Special Tax for Services applicable to each such Assessor's Parcel as needed to satisfy the Special Tax Requirement for Services.

Under no circumstances will the Special Tax for Facilities or the Special Tax for Services levied against any Assessor's Parcel used as a private residence be increased as a consequence of delinquency or default by the owner of any other Assessor's Parcel or Parcels within CFD No. 93-1 by more than ten (10) percent of the Special Tax that would be levied in that Fiscal Year, if there were no delinquencies, pursuant to California Government Code Section 53321(d), as in effect on the date of formation of CFD No. 93-1.

SECTION G PREPAYMENT OF SPECIAL TAX FOR FACILITIES

The following definitions apply to this Section G:

"CFD Public Facilities" means \$28,000,000 expressed in 2004 dollars, which shall increase by the Construction Inflation Index on January 1, 2005, and on each January 1 thereafter, or such lower number as (i) shall be determined by the City as sufficient to provide the public facilities under the authorized bonding program for CFD No. 93-1, or (ii) shall be determined by the City Council concurrently with a covenant that it will not issue any more Bonds to be supported by Special Taxes levied under this Rate and Method of Apportionment.

"Construction Fund" means an account specifically identified in the Indenture or functionally equivalent to hold funds which are currently available for expenditure to acquire or construct public facilities eligible under CFD No. 93-1.

"Construction Inflation Index" means the annual percentage change in the Engineering News-Record Building Cost Index for the City of Los Angeles, measured as of the Calendar Year which ends in the previous Fiscal Year. In the event this index ceases to be published, the Construction Inflation Index shall be another index as determined by the City that is reasonably comparable to the Engineering News-Record Building Cost Index for the City of Los Angeles.

"Future Facilities Costs" means the CFD Public Facilities minus public facility costs available to be funded through existing construction or escrow accounts or funded by the Outstanding Bonds, and minus public facility costs funded by interest earnings on the Construction Fund actually earned prior to the date of prepayment.

"Outstanding Bonds" means all previously issued bonds issued and secured by the levy of Special Tax for Facilities which will remain outstanding after the first interest and/or principal payment date following the current Fiscal Year, excluding bonds to be redeemed at a later date with the proceeds of prior prepayments of the Maximum Special Tax for Facilities.

The Special Tax for Facilities obligation of an Assessor's Parcel of Developed Property, an Assessor's Parcel of Final Map Property or Undeveloped Property for which a Building Permit has been issued or an Assessor's Parcel of Undeveloped Property that is classified as Undeveloped Property pursuant to Section J. may be prepaid in full, provided that there are no delinquent Special Taxes, penalties, or interest charges outstanding with respect to such Assessor's Parcel at the time the Special Tax for Facilities obligation would be prepaid. The Prepayment Amount for an Assessor's Parcel eligible for prepayment shall be determined as described below.

An owner of an Assessor's Parcel intending to prepay the Special Tax for Facilities obligation shall provide the City with written notice of intent to prepay, and within 5 days of receipt of such notice, the City shall notify

such owner of the amount of the non-refundable deposit determined to cover the cost to be incurred by CFD No. 93-1 in calculating the proper amount of a prepayment. Within 15 days of receipt of such non-refundable deposit, the City shall notify such owner of the prepayment amount of such Assessor's Parcel.

The Prepayment Amount for each applicable Assessor's Parcel shall be calculated according to the following formula (capitalized terms defined below):

	Bond Redemption Amount
plus	Redemption Premium
plus	Future Facilities Amount
plus	Defeasance
plus	Administrative Fee
less	<u>Reserve Fund Credit</u>
equals	Prepayment Amount

As of the date of prepayment, the Prepayment Amount shall be calculated as follows:

1. For Assessor's Parcels of Developed Property, compute the Assigned Special Taxes for Facilities and the Backup Special Taxes for Facilities applicable to the Assessor's Parcel. For Assessor's Parcels of Final Map Property or Undeveloped Property, excluding any Undeveloped Property pursuant to Section J., compute the Assigned Special Tax for Facilities and the Backup Special Tax for Facilities applicable to the Assessor's Parcel as though it was already designated as Developed Property based upon the Building Permit issued or to be issued for that Assessor's Parcel. For Assessor's Parcels classified as Undeveloped Property pursuant to Section J., compute the Assigned Special Tax for Facilities.
2. For each Assessor's Parcel of Developed Property, Final Map Property, Undeveloped Property, or Undeveloped Property pursuant to Section J to be prepaid, (a) divide the Assigned Special Tax for Facilities computed pursuant to paragraph 1 for such Assessor's Parcel by the sum of the estimated Assigned Special Tax for Facilities applicable to all Assessor's Parcels of Taxable Property at buildout, as reasonably determined by the City, and (b) divide the Backup Special Tax for Facilities computed pursuant to paragraph 1 for such Assessor's Parcel by the sum of the estimated Backup Special Tax for Facilities applicable to all Assessor's Parcels of Taxable Property at buildout, as reasonably determined by the City.
3. Multiply the larger quotient computed pursuant to paragraph 2(a) or 2(b) by Outstanding Bonds. The product shall be the "Bond Redemption Amount".
4. Multiply the Bond Redemption Amount by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed with the proceeds of the Bond Redemption Amount. This product is the "Redemption Premium."
5. Compute the Future Facilities Cost.
6. Multiply the larger quotient computed pursuant to paragraph 2 (a) or 2 (b) by the amount determined pursuant to paragraph 5. to determine the Future Facilities Cost to be prepaid (the "Future Facilities Amount").

7. Compute the amount needed to pay interest on the Bond Redemption Amount to be redeemed with the proceeds of the Prepayment Amount until the earliest call date for the Outstanding Bonds.
8. Estimate the amount of interest earnings to be derived from the reinvestment of the Bond Redemption Amount plus the Redemption Premium until the earliest call date for the Outstanding Bonds.
9. Subtract the amount computed pursuant to paragraph 8 from the amount computed pursuant to paragraph 7. This difference is the "Defeasance."
10. Estimate the administrative fees and expenses associated with the prepayment, including the costs of computation of the Prepayment Amount, the costs of redeeming Bonds, and the costs of recording any notices to evidence the prepayment and the redemption. This amount is the "Administrative Fee."
11. Calculate the "Reserve Fund Credit" as the lesser of: (a) the expected reduction in the applicable reserve requirements, if any, associated with the redemption of Outstanding Bonds as a result of the prepayment, or (b) the amount derived by subtracting the new reserve requirements in effect after the redemption of Outstanding Bonds as a result of the prepayment from the balance in the applicable reserve funds on the prepayment date. Notwithstanding the foregoing, if the reserve fund requirement is satisfied by a surety bond or other instrument at the time of the prepayment, then no Reserve Fund Credit shall be given. Notwithstanding the foregoing, the Reserve Fund Credit shall in no event be less than 0.
12. The Prepayment Amount is equal to the sum of the Bond Redemption Amount, the Redemption Premium, the Future Facilities Amount, the Defeasance, and the Administrative Fee, less the Reserve Fund Credit.

With respect to the Special Tax for Facilities obligation that is prepaid pursuant to this Section G, the City Council shall indicate in the records of CFD No. 93-1 that there has been a prepayment of the Special Tax for Facilities obligation and shall cause a suitable notice to be recorded in compliance with the Act within thirty (30) days of receipt of such prepayment to indicate the prepayment of the Special Tax for Facilities obligation and the release of the Special Tax for Facilities lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay such Special Taxes for Facilities shall cease.

Notwithstanding the foregoing, no prepayment will be allowed unless the amount of Special Tax for Facilities that may be levied on Taxable Property, net of Administrative Expenses, shall be at least 1.1 times the regularly scheduled annual interest and principal payments on all currently Outstanding Bonds in each future Fiscal Year.

SECTION H PARTIAL PREPAYMENT OF SPECIAL TAX FOR FACILITIES

The Special Tax for Facilities obligation of an Assessor's Parcel of Developed Property or an Assessor's Parcel of Undeveloped Property for which a Building Permit has been issued and will be classified as Developed Property in the next Fiscal Year, as calculated in this Section H. below, may be partially prepaid, provided that

there are no delinquent Special Taxes, penalties, or interest charges outstanding with respect to such Assessor's Parcel at the time the Special Tax for Facilities obligation would be prepaid.

The Partial Prepayment Amount shall be calculated according to the following formula:

$$PP = P_G \times F$$

The terms above have the following meanings:

- PP = the Partial Prepayment Amount.
- P_G = the Prepayment Amount calculated according to Section G.
- F = the percent by which the owner of the Assessor's Parcel is partially prepaying the Special Tax for Facilities obligation.

With respect to any Assessor's Parcel that is partially prepaid, the City Council shall indicate in the records of CFD No. 93-1 that there has been a partial prepayment of the Special Tax for Facilities obligation and shall cause a suitable notice to be recorded in compliance with the Act within thirty (30) days of receipt of such partial prepayment of the Special Tax for Facilities obligation, to indicate the partial prepayment of the Special Tax for Facilities obligation and the partial release of the Special Tax for Facilities lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay such prepaid portion of the Special Tax for Facilities shall cease.

Notwithstanding the foregoing, no partial prepayment will be allowed unless the amount of Special Tax for Facilities that may be levied on Taxable Property after such partial prepayment, net of Administrative Expenses, shall be at least 1.1 times the regularly scheduled annual interest and principal payments on all currently Outstanding Bonds in each future Fiscal Year.

SECTION I TERMINATION OF SPECIAL TAX

For each Fiscal Year that any Bonds are outstanding the Special Tax for Facilities shall be levied on all Assessor's Parcels subject to the Special Tax for Facilities. If any delinquent Special Tax for Facilities remain uncollected prior to or after all Bonds are retired, the Special Tax for Facilities may be levied to the extent necessary to reimburse CFD No. 93-1 for uncollected Special Tax for Facilities associated with the levy of such Special Taxes for Facilities, but not later than the 2049-50 Fiscal Year. The Special Tax for Services shall be levied as long as it is needed to meet the Special Tax Requirement for Services, as determined at the sole discretion of the City Council.

SECTION J EXEMPTIONS

The City shall classify as Exempt Property (i) Assessor's Parcels owned by the State of California, Federal or other local governments, (ii) Assessor's Parcels which are used as places of worship and are exempt from *ad valorem* property taxes because they are owned by a religious organization, (iii) Assessor's Parcels used exclusively by a homeowners' association, or (iv) Assessor's Parcels with public or utility easements making impractical their utilization for other than the purposes set forth in the easement, provided that no such classification would reduce the sum of all Taxable Property to less than 150.65 Acres. Notwithstanding the above, the City Council shall not classify an Assessor's Parcel as Exempt Property if such classification would reduce the sum of all Taxable Property to less than 150.65 Acres. Assessor's Parcels which cannot be classified as Exempt Property because such classification would reduce the Acreage of all Taxable Property to

less than 150.65 Acres will continue to be classified as Undeveloped Property, and will continue to be subject to Special Taxes accordingly.

**SECTION K
APPEALS**

Any property owner claiming that the amount or application of the Special Tax is not correct may file a written notice of appeal with the City Council not later than twelve months after having paid the first installment of the Special Tax that is disputed. A representative(s) of CFD No. 93-1 shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, and rule on the appeal. If the representative's decision requires that the Special Tax for an Assessor's Parcel be modified or changed in favor of the property owner, a cash refund shall not be made (except for the last year of levy), but an adjustment shall be made to the Special Tax on that Assessor's Parcel in the subsequent Fiscal Year(s).

**SECTION L
MANNER OF COLLECTION**

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes, provided, however, that CFD No. 93-1 may collect the Special Tax at a different time or in a different manner if necessary to meet its financial obligations.
